Other Business Activities

Mark T. Johnson is separately licensed as an independent insurance agent. In this capacity, he can effect transactions in insurance products for his clients and earn commissions for these activities. The fees you pay our firm for advisory services are separate and distinct from the commissions earned by Mark T. Johnson for insurance related activities. This presents a conflict of interest because Mark T. Johnson may have an incentive to recommend insurance products to you for the purpose of generating commissions rather than solely based on your needs. However, you are under no obligation, contractually or otherwise, to purchase insurance products through any person affiliated with our firm. Mark Johnson also works as a service missionary through his church. He holds no financial interest and is not compensated.

Additional Compensation

Mark T. Johnson does not receive any additional compensation beyond the fee-based compensation he receives through Interactive Financial Advisors and as described above (see "Other Business Activates") in this Brochure Supplement
